

Neighborhood Map

How were places chosen?

They are based off recognizeability, visual interest, and just generally what felt right. Some are close together, some are at borders for context. See a full icon set with some explanations at lowellvotes.org/civicons

Where did these borders come from?

These are the borders of record from the City of Lowell. Neighborhood borders are sometimes subjective, but we based our map on that source as it is most official. <https://www.lowellma.gov/DocumentCenter/View/382/City-Neighborhood-Map-PDF>
