**How were places chosen?**  
They are based off recognizeability, visual interest, and just generally what felt right. Some are close together, some are at borders for context. See a full icon set with some explanations at [lowellvotes.org/civicons](http://lowellvotes.org/civicons)

**Where did these borders come from?**  
These are the borders of record from the City of Lowell, and are set by the US Census. To see the original, which has more info on road names too, please visit the link below:
