

# Neighborhood Map

**How were places chosen?**  
They are based off recognizeability, visual interest, and just generally what felt right. Some are close together, some are at borders for context. See a full icon set with some explanations at [lowellvotes.org/civicons](https://lowellvotes.org/civicons)

**Where did these borders come from?**  
These are the borders of record from the City of Lowell. Neighborhood borders are sometimes subjective, but we based our map on that source as it is most official. <https://www.lowellma.gov/DocumentCenter/View/382/City-Neighborhood-Map-PDF>
